

GE Café™ Series Stainless Interior Built-In Dishwasher with Hidden Controls

Model# CDT836P2MS1

- You'll have 140 reasons to love your table settings - Set a stunning table with dishes that sparkle thanks to the industry's most Advanced Wash System with over 140 cleaning jets that deliver complete coverage to every inch of the dishwasher
- Say goodbye to spots and hello to sparkle - Spotted silverware has no place at your table, thanks to Deep Clean Silverware Jets that ensure every utensil comes out looking immaculate
- Get every corner of every bottle nice and clean - Vases, canisters and bottles are always clean and ready for your tablescape thanks to the targeted washing power of Bottle Jets
- Leave no spot left untouched - Get dishes impressively clean with the revolutionary reversing quad-blade lower wash arm and its 25 spray jets to hit items from every angle
- Easy touch adjustable upper rack with 2 Stem Safe shelves - Create more room for platters, baking sheets, stemware and more with an adjustable upper rack that glides up or down 2-inches with one easy touch
- Match a seamless look with a high performance dry - Plates, silverware and glassware are ready to go from dishwasher to the table thanks to a hidden vent with fan dry
- Top control with LCD display - Sleek and easy to operate, the top control design and LCD display keeps buttons out of sight while still within reach
