

ENERGY STAR® Qualified Dishwasher With 1-Hour Wash Cycle

4.3

3272 Reviews

BASE MSRP
\$549.00

Clean all your family's dishes with this ENERGY STAR® qualified dishwasher that includes an in-door silverware basket to free up bottom rack space. The 1-hour wash cycle cleans plates, pans and glasses in half the time, and cycle memory remembers the last cycle you picked so it's ready to go with this efficient dishwasher. Rest assured that this stainless steel dishwasher will continue to clean the way your family needs it to, because no one has had fewer repairs 20 years in a row.¹

AVAILABLE COLOR OPTIONS

Monochromatic Stainless Steel - WDF520PADM

FEATURES

Top Features

AccuSense® Soil Sensor

The AccuSense® soil sensor determines how dirty dishes are and adjusts the Normal cycle as needed to make sure dishes come out clean.

AnyWare™ Plus Silverware Basket

The AnyWare™ Plus silverware basket frees up rack space by easily fitting on the front of the lower rack or in the door to make room for more dishes.

1-Hour Wash Cycle

The 1-Hour Wash cycle cleans dishes in half the time.

Additional Features

No One Has Fewer Repairs 18 Years in a Row

According to a leading consumer magazine; Whirlpool® dishwashers.
